

Jeremy's Diary 18th - 22nd May 2020

We have had a super busy week in school getting everyone's books ready to send home. I helped Bláithín tidy the classroom and Geraldine the Giraffe cleared away some posters from up high on the walls. She found it easy because she is so tall. And after our hard work, we went to a wood filled with bluebells. I have never seen so many flowers in my life. It was so cool! We went for a lovely walk in the bluebell wood almost every day, I really liked it. Geraldine and I got to climb trees and play hide and seek. The bluebells smelled really nice and now blue/purple is my favourite colour. I didn't ever want to leave! I did think we would meet some other bears, seeing as we were in a wood, but we didn't. Are there any bears in Ireland I wonder? Hmm I will ask Bláithín and let you know.

By the way, I am missing everyone lots.
