

2nd Class Teaching and Learning Notes update 30th March - 3rd April

Hi everyone,

We hope you are all keeping well.

Well done on the great learning you are doing at home! We love receiving examples of your work and we have started sharing some of these on the class webpages.

This week, we are setting some **core learning activities** for you to do. Please complete these and share them with us using the form on your class webpage.

Celine's Class: <http://www.firhouseetns.ie/second-class-celine-2019-2020.html>

Sarah's Class: <http://www.firhouseetns.ie/second-class-sarah-2019-2020.html>

In addition, you could continue using the learning activity ideas and links we sent you already but *please remember* that these were sent to you as a support rather than as essential tasks to be done.

We also suggest that you make and send a **thank you card** for a family member, friend, neighbour, hospital staff member etc.

We invite you to **create a Mad Hatter's hat** and upload a photo of it to your class webpage for Monday 20th April.

Very best wishes to you and your families,
Celine and Sarah
