

D Grammar: Correct the Errors

1. I can't go to school today.
2. What time is it?
3. We went to the cinema yesterday.
4. Catherine's brother is called David.
5. There is a spider on the bathroom wall.
6. I study Irish, English, maths, history, geography and music at school.
7. The words *plumber*, *lamb* and *comb* all have the silent letter b.
8. The words *wrinkle*, *wrote* and *write* all have the silent letter w.
9. The words *knee*, *knock* and *knit* all have the silent letter k.
10. The weather this summer was even better than last summer.
11. Sara is the fastest runner in her class.
12. Tom is smaller than Gerry, but Gerry is bigger than Dad.
13. Mary skipped with her skipping rope in the school playground.
14. The flies are caught in the spiderweb.
15. The dentist examined all his teeth.

A: A Little Light Thinking

1. There are five crew members on board the rocket.
2. The agencies NASA and the Russian Federal Space Agency confirmed that the rocket took off into space.
3. Liam is using his Draxphone to record his message to his parents.
4. Liam can't sleep like the other crew on board the rocket because the sleeping bags are too small for him.
5. Liam's parents, Mr and Mrs Digby, live at 23, Glenarm Close, Bootle, Liverpool 22, England, The Earth, Solar System, Milky Way.
6. Liam really enjoys weightlessness because every time he leans forward he does a perfect somersault and when he stretches his arms in the air he levitates.

B: Deeper Thinking

1. Looking older helps Liam get into space because he is mistaken for an adult and selected to be an adult chaperone.
2. I think that Liam didn't tell his parents the truth about where he was going that morning because he knew that they would never let him travel into space.
3. The spaceship *Infinite Possibility* didn't manage to complete a routine manoeuvre and ended up rolling out of orbit and this caused the spaceship to get lost in space.
4. I think the crew have gone to sleep because they are exhausted from panicking and screaming about the situation they found themselves in.

5. I think Liam might come up with a way to fix the communication equipment and call someone for help or else he might find a way to get the spaceship back on course.
6. I think Liam's parents will be very worried and maybe a little angry when they discover where he has really gone.
